AUTO DEALERS WHO VISITS KAISER TO ASK CHAMBER TO PUSH SHOW

Largely Signed Petition Urges Exhibit as Opening Event for New Auditorium.

WOULD BRING BIG CROWDS AND INCREASE BUSINESS

Local Dealers Pledge Them-selves to Do Everything in Their Power to Have Excel-lent Exhibits Made by Their Companies — Great Interest Shown.

The suggestion of The Consti-tution that the new Audiorium-Armory be christened with a gr-gantic automobile show has net with such universal approval among business men in every line that definite steps are being taken to make the show an assured event.

event.
While on every hand the show found favoe, it was hailed with especial enthusiasm by the automobile dealers of the city, who requested The Constitution to formulate for them a petition in order that they might present it to the Chamber of Commerce, askeen, that South to all once get at the contract of the contr

Just what date the show will be opened is still a matter of con-jecture, and will not be decided upon until the Chamber of Comerce considers the petition

The interest in the proposal to have an auto show here has been growing daily since it was first suggested. No sooner had the

> ies of the west have, with demonstrated success, entrusted the entire management of their municipal affairs to boards of five commissioners, each required to give his entire time and attention to the city's a b

bette, and more effective administration, but to remove it almost

ntirely from the influence of petty politics. A large council becomes not only unwieldy in of municipal affairs, but in proportion to its growth does it develop into a more easily manipulated political machine.

The politicians are always active, while the business memb are too frequently absorbed with their own affairs

ATLANTA'S COUNCIL SHOULD BE CUT DOWN RATH-ER THAN INCREASED.

One councilman from each ward and one alderman from to three wards, thus embodying the basic principle of state legislative bodies, would be ample and conducive to far better and more effective nunicipal administration.

Whatever the final outcome of the investigations now being made

by the charter revision committee, this abridgment of the city coun-cil should be one point stressed and insisted upon.

Atlanta has not, of late years, been getting satisfactory results from municipal administration

Undoubtedly there would follow material improvement in this respect if the city council were made a more limited and compact

Bright Future Bronchial Troubles ALMOST INSTANTLY RELIEVED

Anyone whose bronchials have been weakened by frequent colds will rebics with Miss Eva Carter, of Denver, Colo, who was subject to bronchial trouble for years, but finally found a remedy that affords quick relief.

Miss Carter's Letter

I have been subject to bronchial trouble for years, and never found any thing that gave me the almost instant relief that Chamberlain's Cough Rem-edy does. Every cough or cold I would contract seemed to affect the bronchial tubes. The phlegm was very disa-greeable and troublesome, and before used Chamberlain's Cough Remedy would hang on for months at a time. Now a bottle or two of this remedy is all that is required to rid me of this unpleasant bronchial trouble. I am only too pleased to recommend it.

EVA CARTER. 1120 Adams St., Denver, Colo

Chamberlain's Cough Remedy

This remedy has been in general use for almost forty years. Its great value in the treatment of coughs and colod has been proven in many thousands of households. From a small beginning its alse and use has extended to every part of the United States and to many forcing countries. People in almost every walk of life have testified to its valuable properties. It can always be depended upon and is pleasant to take.

Chemberhain's Cough Remedy has been a favorite with mothers of young children for coughs, colds, covery and whopoing cough to which children are so frequently subject. They have found it comission an ancette or harmful drug, that it can be given with implicit confidence and that it shows course. Price twent-five confi, large use fifty course.

Denim and gingham in solid blues browns, blue and gray
stripes, black and white checks. Some
have red piping on cuffs and belts of solid
color. These are regular 50c rompers.
Today 35c.

Carriage Blankets: Just a few of these for gray astrakan, and white heartkin, lined with dainty sills or satin, and softly wadded. Perfectly freal-newer out of their tissue wrapping till now. Just a few that have been left.

86,50 and \$7.50 have been their \$5.00 prices. Today
